

The Feed working with Norfolk Community College Working it Out with The Feed

Would you like to get into work? If you are 25 or over, have been unemployed for over a year and have a previous conviction we can help.

To get started, please contact us for an initial meeting with our Opportunities Officer. We will discuss what kind of work you would like to do and look at opportunities that are available to you. If we think we can help, we'll work with you to come up with a plan to help you reach your goal – including regular meetings with us, and support to get the help you need elsewhere.

If you are interested in working with us, you can be referred to us by an organisation supporting you – including the Job Centre or other parts of Norfolk Community College – or you can contact us directly.

Please email us at info@thefeed.org.uk, call 01603 850447, or pop into our café at 78 – 80 Prince of Wales Road (9am – 3pm, Mon – Sat) for more details.

This service is part of Norfolk Community College, a Building Better Opportunities Project funded by the Big Lottery and European Social Fund. For more information about Norfolk Community College check out the website at www.norfolkcommunitycollege.co.uk
